SHANU R@W@T Sir, an expert in education, is a accounts lecturer, a motivational speaker, and an inspiration to young people who want to develop the field of education. He is well-known all around the India as Rawat Sir (Accounts Champion). A MBA graduated who is originally from Bhopal, Madhya pradesh, is currently guiding students of R@W@T CLASSES . Shanu Sir founded R@W@T CLASSES, Bhopal, and is currently its CEO.

PASSION FOR TEACHING:

Many people are under the impression that Shanu sir chose the education sector as a substitute. But the truth is completely at odds with popular belief, Shanu Sir began his career in his first year, when he had to travel about 14 kilometres daily to teach in a coaching institution in Neelbad, Bhopal. Additionally, Shanu Sir used his vacation time to take classes in his home. He made the first significant step in his life by founding SHANU R@W@T CLASSES, independent coaching, in Neelbad, Bhopal after realising the importance of education and experiencing affection from his students. Further he build the basic blocks of R@W@T CLASSES as an institute.

HOW RC GET STARTED:

R@W@T CLASSES

With a crowd of students both inside and outside his class, Shanu sir rose to the position of most well-liked Accounts teacher at the institute. The subject's twists and turns are always indulged in and enjoyed by the students. After receiving encouraging feedback and observing the excitement of the students, Shanu Sir made the crucial choice to establish a new institute. Even so, it wasn't a stroll in the park because of the unpredictability of the situation, location and results. However, the quick decision was well received by the students, and with their help, Shanu Sir was able to find a convenient place to hold classes.

R@W@T CLASSES formally established itself on April 1, 2019, Shanu sir discovered on the first day of the project that he needed to move and find a spacious classroom in accordance with the students in his batch. After then, R@W@T CLASSES, in front of 23rd battalion, Bhopal, and the students didn't look back and continued paving their path to success. The Team is a cohesive group, and Shanu sir always values initiatives that have improved student lives.
